CONSIGNMENT GUIDELINES

Thanks for your interest in consigning with us. We are dedicated to having high standards and to being honest and fair to our consignors and shoppers. We want to help you make the most money from your clothes. You can help us do that by following these guidelines:

- 1 We accept walk-ins on Tuesday from 10am – 6 pm and Sunday from 11am – 5pm.**
We inspect all items while you wait, typically 15 – 20 minutes.
- 2 Bring items in excellent condition.** We take clothes, shoes and accessories. All items must be clean and free of stains, fading, holes, etc. All items must be authentic and verified upon request. We take items that are current and in season. To get in and out quickly, items should be folded in shopping bags, boxes or baskets (no hangers).
- 3 We set the price to make you the most money.** We price every item by hand, based on condition and popularity of the brand. You receive 50% of the selling price.
- 4 We sell your items for 60 days.** Your consignment period begins when your items go on the sales floor (not on the day we take your clothes). After 30 days we may sell them at 50% off. After 45 days we may sell them up to 75% off. Items that don't sell after 60 days are donated to charity. Any requests to pick up unsold items are subject to a \$15 service fee.
- 5 We pay you by check or store credit.** Payment by check is available every Monday when you request payment by Friday. You can pick up your check or we'll mail it to you for a 50¢ service fee. You are responsible for any bank fees on checks lost in the mail or stolen. You may use your balance towards a store purchase when a manager is available to approve it.
